## **CELEBRATING INDIA'S SPACE TRIUMPHS:** ***National Space Day 2025***

As per the CBSE circular, the Middle Wing of our school enthusiastically celebrated National Space Day in the Tinkering Lab to commemorate the historic success of Chandrayaan-3.

A special session was conducted where students were introduced to India's remarkable progress in the field of space technology. Highlights included the proud achievement of the Vikram Lander's landing on the lunar south pole and India's recent success on the International Space Station.

The event featured interactive discussions that encouraged students to explore India's space missions in greater depth. These activities not only instilled a strong sense of national pride, but also inspired young learners to dream big and pursue careers in Science, Technology, Engineering, and Mathematics (STEM), thereby contributing to India's future advancements in space exploration.

### ***The day is meant to:***

- Celebrate India's space milestones and recognize ISRO's contributions.
- Inspire students to pursue careers in STEM (Science, Technology, Engineering, Mathematics).
- Foster curiosity and innovation among young learners about space science and technology.
- Instill national pride by remembering India's global position in space research.

## LITTLE PATRIOTS ENACT 'BATTLE FOR FREEDOM' WITH PRIDE

As part of the Value of the Month – Patriotism, the UKG teachers and students of BCM School, Chandigarh Road, Foundational Stage, showcased an inspiring story dramatization titled “Battle for Freedom.”

The young learners, dressed as freedom fighters, confidently stepped into the roles of national heroes, bringing alive the spirit of India’s struggle for independence. The performance beautifully portrayed the courage, sacrifices, and determination of the brave souls who dedicated their lives to the service of the nation. Their dialogues and expressions resonated with the values of unity, bravery, and love for the motherland.

The activity was more than just a performance—it was an enriching learning experience. It enhanced the children’s confidence, stage presence, and expression, while also providing them with an early understanding of India’s glorious freedom movement. Teachers guided the students in understanding the significance of independence, helping them realize the importance of respecting and valuing the freedom they enjoy today.

## STUDENTS ATTEND SPEAKING MINDS YOUTH CONCLAVE

The students of BCM School attended the Speaking Minds Youth Conclave organized by Initiators of Change. The conclave served as an enriching platform where young minds interacted with eminent speakers and changemakers, gaining valuable insights on leadership, social responsibility, and innovation. The session inspired students to think critically, voice their opinions with confidence, and contribute meaningfully towards building a better society.
