A Day of Action, Awareness, and Appreciation

Day 2 of the Future Leaders Camp 2025 unfolded as a remarkable journey of learning, service, and self-discovery. The morning began with a spirited campus cleaning drive, instilling values of responsibility and hygiene among students.

A rejuvenating yoga session followed, promoting mental clarity and focus. Students then engaged in energizing team-building activities that fostered collaboration, trust, and problem-solving skills.

Learning took a powerful turn with self-defence training sessions that boosted confidence and physical readiness. In a meaningful outreach effort, students conducted a community survey, interacting with locals to understand societal needs and strengthen their sense of empathy.

Later, participants showcased their critical thinking during insightful book review presentations on *How to Win Friends and Influence People*.

ABOUT TRAININGS AND CAMPS

Mental health is  for contemporary classrooms

2

Strengthening Assessment and Evaluation practices

From Control to Connection

In a dynamic two-hour session on Classroom Management – Shift to Modern Pedagogies, Ms. Tarveen Kaur guided teachers through a transformative journey from control-based teaching to connection-driven classrooms.

Through interactive activities on empathy, relaxation, and storytelling, educators explored the power of emotional connection in fostering a positive and responsive learning environment. The session emphasized building trust, understanding students' needs, and creating a space where every learner feels valued.

APPRECIATION AND ACQUISITION

Support Staff Felicitated for Dedication and Service

Workshop on Work Ethics Held for Support Staff

Ms. Shilpa Miglani, Programming Head at MBCIE, conducted an insightful workshop for the support staff, focusing on work ethics, professional conduct, and workplace discipline. The session aimed at enhancing awareness, improving teamwork, and reinforcing a respectful work environment. Participants actively engaged in discussions, gaining a better understanding of their roles and responsibilities.

Thought of the Day:

"Don't wait for the perfect moment—take the moment and make it perfect."

Health Tip of the day:

Laugh More

Laughter boosts immunity, lowers stress, and improves mood. Watch something funny or share a good joke—it's real medicine!

This day in history: June 04

1942- One of the most important naval battles of WWII began between the United States and Japan. The Battle of Midway marked a turning point in the Pacific theater.

Mohit Verma Shines in JEE Advanced 2025

BCM School proudly congratulates Mohit Verma of Class XII NM A for qualifying the prestigious JEE Advanced 2025 with an impressive All India Rank of 24,214. His achievement reflects his hard work, dedication, and the school's commitment to academic excellence. The entire BCM fraternity applauds his success and wishes him the very best for his future endeavors.
