## ***CREATIVE CORNER MAGIC OF NATURE***

*Oh my beloved nature,  
What haven't you gave us,  
What we give you is just pollution and dust.  
You are such a magical thing,  
With numerous magic tricks,  
On our human needs you mark a tick.  
The morning breeze and soothing sunshine,  
On the mountains stand the trees of pine.  
Sparkling stars in the night,  
Excess forests itself ignite.  
Hovering birds in the atmosphere,  
Nature only asks for our human care.  
You are such a beautiful attraction,  
Now its our time for your healing action.*
