## ***DHRITI SHARMA SHINES BRIGHT AT STAR HUNT –KIDS TALENT SHOW***

The Star Hunt – Kids Talent Show, organized by Paiddy Events & Production at Raasta, Model Town, Ludhiana, on 31st August 2025, served as a vibrant platform for children to showcase their skills in Singing, Dancing, and Modelling across diverse age groups.

In this prestigious event, Dhriti Sharma of Class VII-F participated in the Dancing Category and captivated both the audience and the panel of judges with her soulful performance. Her graceful moves and remarkable stage presence stood out among the participants.

Adding yet another feather to the school's cap, Dhriti secured the First Position in the competition. She was felicitated with a bicycle, a certificate, and a ₹1000 shopping coupon, sponsored by S&M (Saluja and Mom & Me), as a mark of appreciation for her outstanding achievement.

Her success not only highlighted her talent but also brought immense pride to the school community. Such achievements inspire fellow students to follow their passions with dedication and showcase their abilities with confidence on larger platforms.

## ABHINAV KUMAR HONORED IN TORCH RELAY BY DISTRICT SPORTS DEPARTMENT

Abhinav Kumar, a student of the school, brought laurels by participating in the Torch Relay organized by the District Sports Department, Ludhiana. The event was held to commemorate the birth anniversary of hockey legend Major Dhyan Chand and witnessed enthusiastic participation from young athletes across the district.

For his remarkable involvement and spirited participation, Abhinav was honored with medals. His achievement reflects his dedication towards sports and stands as a source of pride for the school. The recognition is expected to inspire fellow students to pursue their passion for games and athletics with the same zeal and determination.

## STEADY MOVES: LKG KIDS MASTER THE ART OF BALANCE

Foundational Stage, organized an engaging Balancing Activity Session for LKG students with the objective of enhancing their coordination, concentration, and motor skills.

The young learners enthusiastically took part in a series of fun-filled exercises designed to encourage balance and body control. Their active involvement and cheerful participation transformed the session into a joyful learning experience.

The activity not only promoted physical development but also instilled confidence and determination among the little ones, making it a perfect blend of learning and play.
