BCM TEACHERS EXTEND HELPING HAND AT SASRALI VILLAGE TO FIGHT FLOOD THREAT

A team of four dedicated teachers from BCM School, Chandigarh Road — Mr. Mukesh, Mr. Jasbir, Mr. Vipul, and Mr. Sandeep — set an inspiring example of service and solidarity by visiting Sasrali village to assist residents in their battle against the looming flood threat.

With the rising river water posing a grave danger to the village, the teachers actively participated in constructing bann (embankments) to prevent water from entering homes and fields. Their timely support not only provided physical aid but also infused the villagers with hope and strength during these testing times.

The noble gesture reflects BCM's belief in holistic education, where values of empathy, responsibility, and community service go hand in hand with academics. The teachers, through their selfless contribution, showcased that teaching extends far beyond classrooms and that true education lies in uplifting humanity.

The BCM fraternity expressed immense pride in their efforts, hailing them as role models who live the values they teach.

***FOUNDATIONAL STAGE COMMEMORATES
INTERNATIONAL LITERACY DAY***

Foundational Stage marked International Literacy Day with an exciting lineup of hands-on activities designed to make learning fun and meaningful. Nursery learners engaged in “Fruit Hunt on Colours”, placing fruits on matching coloured sheets to strengthen recognition and association skills. LKG children enjoyed “Dip, Dab & Number Grab”, tracing numerals with finger paints to create a multisensory and creative numeracy experience. UKG students, taking on the role of ‘Tiny Tutors’, guided the school support staff in foundational letters and functional English expressions commonly used in daily communication, while reinforcing their own learning.

These activities enhanced colour and number recognition, fine motor skills, creativity, communication, and confidence.
