**BCM SCHOOL MARKS THE  
BEGINNING OF DIWALI  
CELEBRATIONS WITH VIBRANT  
RANGOLI COMPETITION**

# Campus Connect

To usher in the spirit of Diwali, BCM School, Chandigarh Road, organized an Inter-House Rangoli Competition for students of Classes IX-XII. The event was a delightful celebration of art, culture, and creativity, reflecting the festive mood that fills the air during this joyous season.

Students from all houses participated with immense enthusiasm, creating intricate and colorful rangoli designs that beautifully captured the essence of Diwali — the festival of lights. Each team used traditional motifs, modern patterns, and eco-friendly materials, turning the school premises into a canvas of vibrant hues and cultural expression.

The competition was divided into two categories — Classes IX-X and Classes XI-XII.

**Results (IX-X):**

- 1 Ravi House – First Place
- 2 Satluj and Beas Houses – Second Place (Tied)
- 3 Yamuna House – Third Place

**Results (XI-XII):**

- 1 Ravi House – First Place
- 2 Yamuna House – Second Place

The event was judged by Ms. Rashmi Jajoo, Ms. Bhawna and Ms. Heena Bedi, who appreciated the students' creativity, precision, and innovative designs. Vice Principal, Ms. Manju Bhatti, also graced the occasion and commended the participants for their teamwork and dedication.

The competition not only showcased students' artistic flair but also promoted collaboration and festive spirit among them. Heartiest congratulations to all the winners and participants for making the celebration a grand success and setting a vibrant tone for the upcoming Diwali festivities!

## VISIT BY SYMBIOSIS SKILLS AND PROFESSIONAL UNIVERSITY PUNE.

BCM School, Chandigarh Road, had the privilege of hosting Mr. Vrushab Tayde from Symbiosis Skills and Professional University, Pune. During his visit, Mr. Tayde interacted with the school team and discussed the relevance of new-age careers and the crucial role of skills in shaping students' futures. Principal Mr. D.P. Guleria extended a warm welcome to the guest and appreciated the valuable insights shared about emerging career opportunities and skill-based education. The visit proved to be enriching and aligned with BCM School's vision of preparing students for future-ready learning.

### Foundational Stage Conducted Science Activities

To promote scientific curiosity and hands-on learning, BCM School Chandigarh Road Foundational Stage organized Science Activities across different classes. Nursery students explored Soluble and Insoluble Substances through simple experiments, observing how some materials dissolve in water while others do not. LKG and UKG students participated in an engaging activity on Air Exerts Pressure, discovering how air, though invisible, can exert force on objects. These activities encouraged observation, exploration, and a deeper understanding of basic scientific concepts among young learners.
