## COLOURS OF KINDNESS AND GRATITUDE

In celebration of The Joy of Giving Week, the Middle Wing organized a Card Making Activity that beautifully captured the spirit of compassion, gratitude, and togetherness. The initiative aimed to encourage students to reflect on the importance of giving, sharing, and expressing appreciation towards the people who make a difference in their lives.

Students participated with great enthusiasm and creativity, designing heartfelt cards for their parents, teachers, helpers, and friends. The classrooms were filled with vibrant colours, artistic expressions, and touching messages that conveyed sincere feelings of love and gratitude. From simple drawings to intricate designs, every card reflected the students' emotions and their understanding of the true joy that lies in giving selflessly.

Teachers guided the children throughout the activity, helping them express their thoughts and emotions through art and words. Many students penned down short poems, thank-you notes, and positive affirmations that brought smiles to everyone's faces. The event served as a reminder that small gestures of kindness can create a big impact and foster stronger bonds within the school community.

The atmosphere during the activity was filled with festive warmth and cheerful energy. It not only nurtured students' artistic skills but also deepened their emotional intelligence, empathy, and moral values. The Card Making Activity truly embodied the message of The Joy of Giving Week—that giving from the heart, even in the simplest form, can spread immense happiness and positivity.

## CREATIVE MINDS SHINE BRIGHT IN “A CHILD’S CANVAS” AT GS MEMORIAL

A team of talented students from Class IX brought laurels to the school by securing the First Runner-Up position in “A Child’s Canvas”, an inter-school art competition organized under G.S. Memorial at Jesus’ Sacred Heart Convent School where participants — Jasmeet (IX-E), Vinayak (IX-J), Harshita (IX-C), Hemali (IX-F), and Vania (IX-H)— showcased their artistic brilliance and creativity through their impressive work. Their collaborative effort and unique expression were highly appreciated by the judges.

The achievement reflects the Teacher in-charge, Ms. Heena Bedi's expertise and the students’ imagination, teamwork, and dedication towards art, making the school proud once again.

### WHISKING WONDERS — A SWEET BLEND OF CREATIVITY AND SKILL

The Home Science Department organized an exciting activity titled “Oven Move – For the Love of Baking” for the students of Class XII. Under the expert guidance of Ms. Gurbinder and Ms. Sanskriti Verma, students Vandit and Nehal (XII Com B) along with Harman (XII Non-Med B) showcased their baking talent by preparing a delectable two-tier Rasmalai cake. The hands-on session offered students a wonderful opportunity to explore the science and art behind baking, learning about ingredient balance, decoration, and presentation.

## FOUNDATIONAL STAGE CONDUCTS LIFE SKILLS AND JOY OF GIVING ACTIVITIES

To instill essential habits, practical knowledge, and core values among young learners, BCM School Chandigarh Road Foundational Stage conducted engaging Life Skills and Joy of Giving activities across different classes.

The Nursery children participated in an interactive session on Health and Hygiene, where teachers demonstrated the correct brushing technique and highlighted the importance of maintaining oral hygiene for overall health. LKG students developed their cognitive and fine motor skills through a Sorting of Pulses activity, learning to differentiate and classify various pulses while understanding their nutritional value. UKG learners were guided on Table Manners, learning basic dining etiquette, the correct use of cutlery, and the importance of cleanliness while eating. These activities helped nurture healthy habits, independence, and social awareness, contributing to the holistic development of the children.

In alignment with the spirit of sharing and empathy, the school also conducted a Joy of Giving activity. Children actively participated by preparing beautiful cards to express love and compassion.

## SPREADING SMILES THROUGH MENTAL HEALTH AWARENESS

A session on Mental Health Awareness was conducted to educate students about emotional well-being and stress management. Experts discussed the importance of self-care, positive thinking, and seeking help when needed.

The interactive workshop included engaging activities and real-life examples that helped students identify and manage emotions more effectively.
