Campus Spotlight

On the special occasion of Teachers' Day, the BCM family came together to express heartfelt gratitude to our respected Principal, Mr. D.P. Guleria, whose vision, dedication, and unwavering commitment continue to illuminate the path for both students and staff. To mark this day, Vice Principal Ms. Manju Bhatti, Headmistress Ms. Ritu Syal, and Coordinators Ms. Rajni Maingi and Ms. Poonam extended their warm wishes to him by presenting a beautiful bouquet of flowers along with a handcrafted Teachers' Day card.

This simple yet profound gesture was not only a token of appreciation but also a celebration of his invaluable role as a guide, mentor, and source of inspiration. His constant encouragement and leadership have nurtured a positive and progressive learning environment where both teachers and learners thrive. His presence is indeed a blessing, reminding us that true education goes beyond academics—it is about shaping character, building resilience, and igniting young minds with purpose.

The moment was filled with gratitude and reverence, symbolizing the deep respect and affection the entire BCM fraternity holds for their beloved Principal.

SMILES, GRATITUDE & VIRTUAL CHEERS - BCM SCHOOL CELEBRATES TEACHERS' DAY

BCM School celebrated Teachers' Day virtually with immense enthusiasm, creativity, and heartfelt emotions from students across all wings.

The Foundational Stage children of Nursery, LKG, and UKG won hearts by dressing up as their favourite teachers and joyfully enacting their roles. Their delightful performances, along with handmade cards, reflected their deep admiration and respect.

The Primary Wing students expressed their love through colourful cards and creative bookmarks, gifting their teachers tokens of affection that carried warm wishes and gratitude.

The BCM Council members showcased their talents through dance, singing, speeches, and art, offering a vibrant tribute to their mentors. Their heartfelt performances added charm to the celebrations, making the day truly memorable.

The Middle Wing students too honoured their teachers in unique ways—designing e-cards and handmade cards, penning poems, letters, and essays, and recording touching video and audio messages.

The virtual celebrations across all wings beautifully reinforced the belief that teachers are true role models, guiding lights, and builders of the nation's future.
