BCM School, Chandigarh Road, joyfully celebrated Hindi Diwas and observed World First Aid Day with a blend of cultural fervour and meaningful activities. The celebrations were designed to nurture young learners' creativity, instil pride in the mother tongue, and refine their expression skills.

At the Foundational Stage, the day began with lively Hindi rhymes by Nursery children, full of expression and innocence. LKG students showcased their beautiful handwriting in a Hindi Calligraphy activity, while UKG learners confidently recited traditional dohas, reflecting upon the timeless values they convey.

Taking the celebration further, BCM School hosted a Hindi Diwas Literary Week, offering students a vibrant platform to explore the richness of the language. Children enthralled audiences with self-composed poems and stirring recitations of legendary poets. Their creativity shone through striking posters on the theme "Rashtra Bhasha Hindi", and thought-provoking multimedia presentations deepened their understanding of the language's significance.

The week-long initiative went beyond academics—fostering imagination, communication, and confidence while strengthening cultural identity. By celebrating Hindi Diwas in such engaging ways, BCM School successfully ignited young minds with love for the nation's linguistic heritage and encouraged them to embrace the beauty of Hindi literature with pride.
