श्रीरामनवमी

अयोध्या की धरा ने जन्म दिया जब एक उजियारा,  
धरती ने पाया मर्यादा पुरुषोत्तम का सहारा।  
राम, न सिर्फ़ एक नाम—एक युग, एक पहचान,  
धर्म, करुणा, साहस और सत्य का है प्रमाण।

वनवासी बनकर भी जिसने दिया त्याग का संदेश,  
अन्याय के विरुद्ध खड़ा होकर दिखाया सुदृढ़ वेश।  
राम ने सिखाया कि सत्ता नहीं सेवा है बड़ी,  
ममता और मर्यादा से ही जीवन की राह जड़ी।

आज भी जब अंधकार घेर लेता है मन का द्वार,  
राम के आदर्श जगाते हैं उम्मीद की किरण अपार।  
उनकी नीति, उनका धर्म, उनका आचरण महान,  
हर युग में राह दिखाते हैं, बनकर अमिट निशान।

राम नवमी का उत्सव केवल जन्मोत्सव नहीं,  
ये याद दिलाता है कि सच्चाई कभी हारती नहीं।  
आज के युग में भी यदि हम राम का दीप जलाएँ,  
तो समाज में प्रेम, न्याय और शांति के गीत गाएँ।

जय श्रीराम! 🙏

## ***YOUNG ACHIEVERS MAKE SCHOOL PROUD AT WILD WISDOM QUIZ 2025*** 🏆

The Wild Wisdom Quiz 2025, organised by WWF in collaboration with CBSE, was held on September 29, 2025 at Spring Dale Public School, Amritsar. Known as one of Asia's largest and most prestigious inter-school quizzes on wildlife and environment, the event saw enthusiastic participation from schools across the city. Our school team, comprising Akshit (VIII D) and Shreyansh (VIII F), represented us at the city-level round. Competing against 47 top schools, the young minds showcased exceptional knowledge, quick thinking, and presence of mind, leaving a lasting impression on the audience and judges alike.

We are proud to announce that our brilliant duo clinched the 3rd position in this highly competitive event. They were felicitated with medals, certificates, and goody bags as a token of appreciation for their commendable performance.

A special mention goes to the dedicated teacher in-charges, Ms. Raminder and Ms. Laveena, whose guidance and constant encouragement played a pivotal role in preparing the students for this achievement.

This remarkable success not only celebrates the talent of our students but also adds yet another feather to the cap of our school. 🌟

## TRACING TALES:

### *Foundational Stage Sparks Fine Motor Skills*

The Foundational Stage of BCM School, Chandigarh Road continues to create joyful learning experiences for its young learners. Recently, an engaging hands-on activity titled “Tracing with Fun” was organized to nurture the essential developmental skills of the little ones.

The activity was thoughtfully designed to strengthen fine motor skills and refine hand-eye coordination—both of which are crucial milestones in early childhood development. With colourful worksheets and creative patterns, the children eagerly participated, tracing shapes, lines, and curves with great enthusiasm. Each stroke not only brought smiles to their faces but also instilled in them a sense of accomplishment.

Such activities go a long way in improving concentration, grip control, and spatial awareness, while also allowing children to express themselves creatively. The joyous atmosphere in the classroom reflected how effectively the learners were able to channelise their boundless energy into something productive and skill-oriented.

Teachers observed that the exercise encouraged children to focus better, follow directions carefully, and gain confidence in their abilities. Moreover, the session blended fun with learning, ensuring that the process of acquiring skills felt less like a task and more like a game.

By integrating playful learning methods into the curriculum, the Foundational Stage at BCM School reaffirms its commitment to holistic child development, laying a strong groundwork for academic readiness and personal growth. This initiative truly highlighted that learning is most impactful when it is hands-on, enjoyable, and deeply connected to the natural curiosity of children
