STUDENTS PARTICIPATE IN MEGA TINKERING DAY

Under the guidance of Mr. Deepankur, Tinkering Head, the students of BCM School enthusiastically participated in the Mega Tinkering Day organised on 12th August 2025 by the Ministry of Education in collaboration with Atal Innovation Mission, NITI Aayog, and CBSE.

The event aimed to spark curiosity, creativity, and problem-solving skills among students through a one-hour hands-on innovation activity. Around 40 students assembled in the Atal Tinkering Lab well before the scheduled time, ready with all the required materials such as DC motors, battery packs, propellers, glue guns, switches, and soldering kits.

Following the Live 'Build Together' Session streamed on YouTube, students worked in groups of four to design and construct innovative projects from scratch. They collaborated, shared ideas, and applied scientific thinking to create simple yet impactful models using the ATL tools and resources.

Mentors guided the participants throughout the activity, ensuring smooth execution and helping them troubleshoot challenges. The atmosphere in the lab was vibrant with creativity and teamwork as each group took ownership of their projects.

The initiative not only strengthened students' technical skills but also nurtured their collaborative spirit, making them a part of India's largest tinkering movement.

BCMites Spark Inspiration at Guidance Fest 2025

Students of Grade XI from BCM School enthusiastically participated in the Guidance Fest 2025 held at BCM Arya Model School — a vibrant event filled with career guidance, motivational talks, and creative activities.

The fest featured esteemed guests Mr. Rajesh Kumar Gupta, Mr. Biswajit Saha, and Ms. Dimple Madan, whose presence added inspiration to the occasion. The keynote address by Mr. Sunil Vinayak on "The Power of Positivity" encouraged students to rise above peer pressure and self-image concerns with resilience and confidence. Mr. Rohit Jindal urged them to "Think Different", while Mr. Gaurav Taneja introduced the innovative "Fun Theory", demonstrating how creativity can transform everyday experiences.

Engaging activities and interactive games kept the atmosphere lively, making learning both enjoyable and impactful. The event concluded with students feeling motivated, informed, and better prepared to face future challenges with a positive outlook.

Elina and Prisha bag First Place in Inter-BCM English Debate Competition

We are thrilled to announce that our students, Elina and Prisha, have secured the first prize in the Inter-BCM English Debate Competition held at BCM Basant Avenue today. The competition saw talented students from various BCM schools participating and showcasing their exceptional debating skills.

Under the guidance of their concerned teacher Ms.Monica chohan , Elina and Prisha demonstrated outstanding argumentation and presentation skills, impressing the judges and securing the top spot.

We congratulate Elina and Prisha on this remarkable achievement and wish them continued success in their future endeavors.

Road Safety Spirit Ignites at BCM

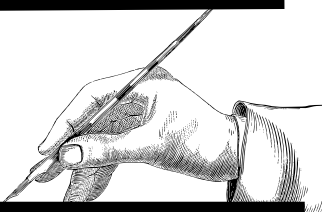

"Safe roads begin with responsible citizens" — with this spirit, BCM School, Chandigarh Road, Ludhiana organised the live streaming of the Online Student Outreach Programme conducted by the Central Academy for Police Training (CAPT), Bhopal, in collaboration with CBSE. Aimed at promoting civic sense, patriotism, and responsible citizenship, the session for Classes IX to XII focused on traffic discipline, road safety, and accident prevention. Resource persons emphasised the importance of wearing helmets, fastening seatbelts, following traffic signals, and avoiding mobile phone use while driving. Students participated enthusiastically, shared their own experiences, and pledged to follow road safety rules. The programme left a lasting impact, inspiring them to adopt safe practices and contribute to building a disciplined and safer community.

Foundational Stage Marks World Elephant Day with Creative Flair

Foundational Stage celebrated World Elephant Day with vibrant enthusiasm, encouraging students to value and protect these gentle giants. Nursery children crafted intricate elephant models, LKG students created imaginative masks, and UKG children designed charming figurines, fostering creativity, fine motor skills, and awareness of wildlife conservation.

STEM ACTIVITY WEEK HIGHLIGHTS INNOVATION

Middle wing has celebrated innovation through STEM Activity blending Science, Technology, Engineering, and Mathematics into hands-on learning. Students are challenged to design creative Water Filter Models—working solo or in teams. The activity promotes problem-solving, design thinking, and environmental awareness, while nurturing the next generation of innovators.

Thought of the day

"A nation's strength is not in the power of its weapons, but in the unity of its people, the integrity of its leaders, and the courage of its citizens to stand for what is right, even in the face of adversity." 🇮🇳

Health tip of the day

Avoid skipping breakfast — a balanced morning meal jumpstarts your metabolism and keeps your mind alert throughout the day. 🍳🔍

Book of the day

The Story of My Experiments with Truth by Mahatma Gandhi — the autobiography of the Father of the Nation, offering deep insights into his principles, struggles, and the path of non-violence during India's freedom movement. 📖🇮🇳

Primary Wing Assembly Celebrates Spirit of Patriotism with Class Assembly

Students of Class IV-G expressed their love for the nation through an article on patriotism, a play on Bhagat Singh's life, a graceful Ghoomar dance, and a patriotic song.

The event filled everyone with pride and reinforced the values of unity, sacrifice, and responsibility towards the nation.

Editor and Co-ordinator: Ms Sanskriti Verma(Head, Media Department)
