GRATITUDE TO TEACHERS BY VICE PRINCIPAL

My heartfelt gratitude to the dedicated teachers' team,

As Vice Principal, I'm proud to express my esteem,

For teachers who adapt, with a flexible stride,

Taking online classes, from home, with passion inside.

When floods bring disruption, and uncertainty too,

You stand as beacons, guiding students through,

Your patience and care, a shelter from the storm,

Ensuring learning continues, in every form.

Your homes become classrooms, a virtual space,

Where knowledge and love, find a gentle place,

You bridge the gap, with technology as your guide,

And help our students, navigate challenges with pride.

Your dedication inspires, and makes a difference true,

I'm grateful for your hard work, and commitment anew,

On Teachers' Day, we celebrate your noble role,

Thank you, dear teachers, for being the guiding soul.

As waters recede, and hope starts to shine,

Let's join hands, and hearts, in a prayer divine,

For relief from floods, and peace to prevail,

May our community heal, and prayer never fail.

***Happy Teacher's Day

HAPPY
Teacher's Day

To the teachers who make learning fun and exciting
Happy Teacher's Day! Your influence extends far beyond
the classroom.

A faded colorless shadow they are,
They ask for no accolades how selfless they are.
Walking ahead of us they look for every thorn,
They don't ask for it, but they do deserve a
precious crown.

They do scold and rebuke but for the good of ours,
They are patient like trees and sweet like flowers.
We fail to express but we do think of you all,
We know when the world grows small you all will
stand tall.

Sometimes their gentle core hides beneath their
crust,
Yet in their hearts they nurture us with trust.
To the Teachers who are our second mothers,
IF TODAY WE SOAR HIGH IT IS BECAUSE YOU
MENED OUR FEATHERS!

अध्यापक का सम्मान

माता पिता से भी बड़ा स्थान
ज्ञान का दीप जलाएं महान
विद्यार्थियों की करते परवरिश
धैर्य संयम पथ पर धरते।
न भेदभाव न कोई दूरी
सच्ची शिक्षा उनकी पूरी
मां दो बच्चों से घबराए
गुरु चालीस का शोर
भी सह जाए...
कठिनतम काम यही तो
करते
डांट डपट कर मार्ग सुधारते
छः से आठ घंटे संग बिताते
जीवन को नई दिशा
दिखाएं।
बच्चों करना सदा
सम्मान
जहां मिले करना झुक
कर प्रणाम
गुरु ही देते जीवन ज्ञान
गुरु ही है भविष्य निर्माण

मन्त्रत आनंद।

GUIDING LIGHTS, SHAPING FUTURE

Not all heroes wear capes,
Some wear wisdom
And shape youngsters fate
Not all heroes win wars,
Some win hearts
And build shining stars.
Not all heroes wear a crown,
Some lift us up
When we fall down.
Our heroes are our teachers,
Who make us Dreamers, Believers
Our heroes are our teachers,
Our Mentors, True Preachers
They guide us through the dark,
Igniting Learning's spark.
Their noble heart, so kind and wise,
Teachers, they are a blessing in disguise.
A teacher's not just about a chalk and board
But wisdom's flame, a guiding sword.
They plant a seed, they shape the clay,
And light the dark in their own way.
Lessons fade, but moments will stay,
We grew because they showed us the way.

"Teachers are the guiding stars who light the path of our future."

Teachers hold a very special place in every student's life. They are not just the ones who teach lessons from books but also the ones who shape our character and values. A teacher is like a lamp that removes the darkness of ignorance and shows us the way towards knowledge and wisdom. Without teachers, life is incomplete—like a garden without flowers or a river without water.

They plant the seeds of hope each day,
They guide our steps along the way,
With patience they wait and please them,
They build a future bright and new.

Unfortunately, in today's world, teachers often do not receive the respect they deserve. This lack of appreciation is slowly destroying values among children. Students must understand that teachers are the backbone of their success and the reason they can dream bigger and reach higher. To forget their importance is to forget the roots that hold the tree of life strong.

On this Teachers' Day, I want to express my heartfelt gratitude to all my teachers who have played an important role in my journey. I thank them for their love, encouragement, and guidance that continues to inspire me every day.

Your hard work and dedication not only help us to learn our subjects but also teach us the values of discipline, kindness and perseverance. You have always supported us in times of doubt, celebrated our achievements, and motivated us to do better each day.

I sincerely thank you for shaping our future and for being role models in our lives. Whatever we achieve in life, the credit will always go to the foundation you have built for us.

With respect and gratitude,
